

### Senate Committee interviews weeping victims of Wind Turbine Syndrome (ABC News, Australia)

Click on the yellow triangle, below, to watch this [ABC News \(Australia\) video](#) showing live Senate Committee testimony from Australians suffering from Wind Turbine Syndrome.

Juxtaposed

to this is video of Big Wind developers brazenly telling the same Committee that all such claims are nonsense and, what's more, that [Dr. Sarah Laurie](#) is chiefly responsible for the hysteria seizing rural Australia---a hysteria that threatens to scuttle [hundreds of millions of dollars](#) of "clean, green, renewable" wind energy development.

(Dr. Laurie, we believe your life is in danger.)
